**Bottled Water Information**

Culligan Bottled Water is produced by NC Bottled Water Company, an International Bottled Water Assoc (IBWA) member. IBWA sets standards for their members that meet or exceed standards set by the FDA.

NC Bottled Water Co has received the Excellence in Manufacturing Award for the last four years.

Member bottlers are inspected annually on an unannounced basis, by NSF, to insure that IBWA guidelines are followed. By using an IBWA bottler as our producer, we are able to provide you, the consumer with the best tasting and safest bottled water available.
